SITGES INDUSTRY - CATALAN FILMS

Sitges Industry Online

The Sitges Industry - Catalan Films is the platform powered by Catalan Films, the internationalization programme fostered by the Catalan Institute for Cultural Companies – ICEC of the Culture Department of Government of Catalonia.

An online section that creates and develops initiatives aimed at professionals from the audiovisual industry, and it makes possible for them to meet and collaborate with national and international profiles.

Industry accreditation is intended only for professionals actively working in cinema industry: producers, distributors, cinematographers, film festivals and institutions representatives, investors, buyers and sales agents.

You can indicate your activity, for example, with a direct link to the website of the company represented. If your activity is not related to any company or institution, please include your professional CV along with a description of your plans for using the accreditation. If you are enrolled to any of the Sitges Film Hub, or if you wish to attend, please indicate the name of the activity.

Registration: 17/07/2023 - 18/09/2023.

Price: 35€ (+ IVA)

Deadline payment: 18/09/2023 (23.59h).

How to use the platform

Welcome to **Sitges Industry – Catalan Films!**

An online section that creates and develops initiatives aimed at professionals from the audiovisual industry, and it makes possible for them to meet and collaborate with national and international profiles.

Our platform offers you the opportunity to:

- Meet new contacts through our **Professional List** page.
- Get to know new projects from other producers and filmmakers presented in our main activities at the **Projects Guide** page.
- Check the activities **Agenda** and watch our main conferences and round tables live or watch them later online.
- Learn about our main **Institutions** work and presence in the International markets.
- Get all the films and events information at **Festival Pack** site.
- Arrange video calls through our **Meetings 1to1** section.

YOUR PROFILE

Please make sure you set up your profile correctly in order to ensure that the event runs correctly and there is good connectivity between attendees.

EVENT APP

You can download the **Sitges Industry – Catalan Films App**:

AGENDA

- In the agenda you will find all the activities details. Please check out the information icons.
- There are two types of activities: online and onsite.
- Some on-site activities will be available to watch live or 24h after they have taken place. Please check out the information icons to make sure if the activity will be available to watch on the platform.
- Streaming: to watch an event live choose the event and then click on the "Room" button. You will be able to send comments, questions or emoticons.
- The time zone is set up in Spain local time (GMT+2)

MEET NEW PROFESSIONALS

- Find all the professionals attending the Festival and their profiles on the **Professionals List** site.
- Two options to get in touch:
 - Chat: Contact attendees by clicking “Message” on their profile.
 - Meetings 1to1: We have established a daily time slot to arrange virtual meetings: The Industry Speed Meetings agenda. These meetings can last 15’ maximum.
- The Industry Speed Meetings agenda will be available from October the 6th. From this date on, check the profiles you are interested in, and arrange meetings. (upon attendees availability)
- You will receive a request in your mailbox and in the App if someone wants to arrange a meeting with you.
- **IMPORTANT:** We recommend using the chat “Messages” to get in touch and for better connectivity with attendees. Speed meetings are short sessions.
